

JACK FARRELL

**THERE WERE
THESE
TWO GUYS
IN A
LUNATIC
ASYLUM**

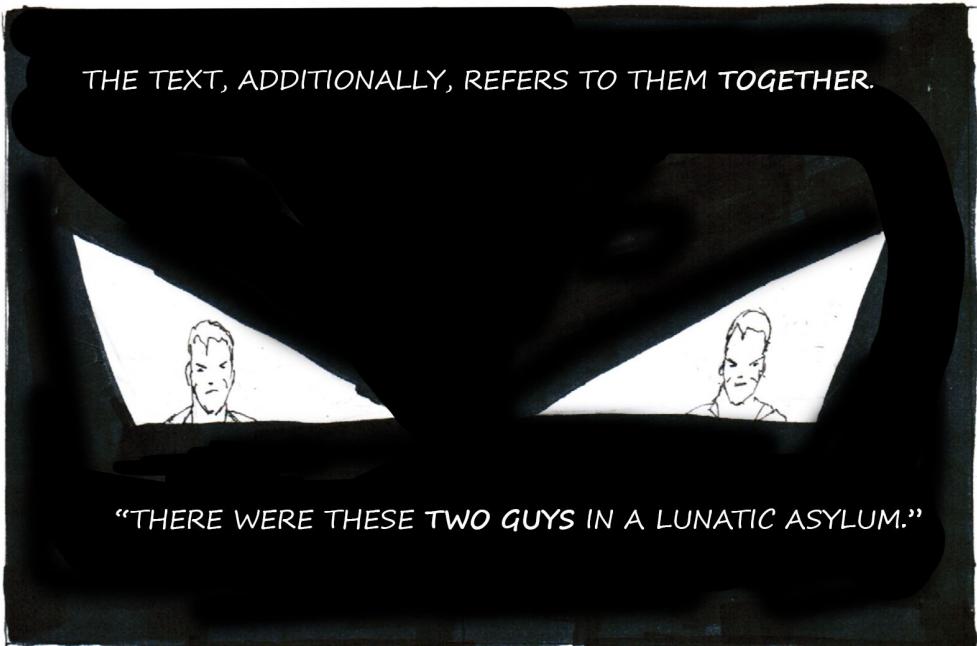

TWO FACE'S PRESENCE ALSO SUGGESTS DUALITY- ESPECIALLY BECAUSE HIS COLOURS ARE THE SAME AS JOKER'S.

THE TEXT, ADDITIONALLY, REFERS TO THEM TOGETHER.

PAY ATTENTION TO BATMAN'S PRONOUN HERE.

" IT "

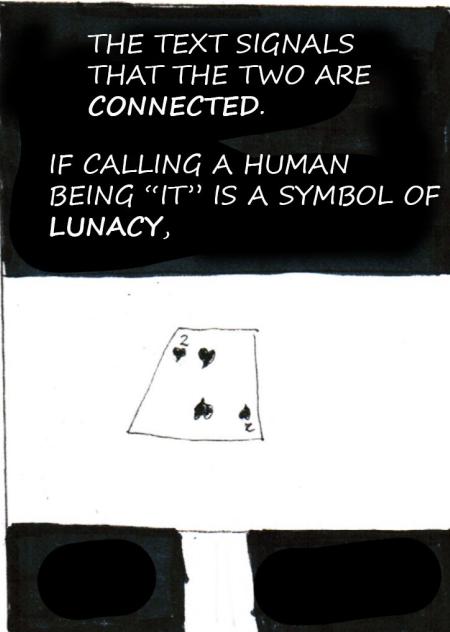

COMMISSIONER, IF YOU'RE CONCERNED ABOUT IT, TAKE CARE OF IT. IT'S YOURS.

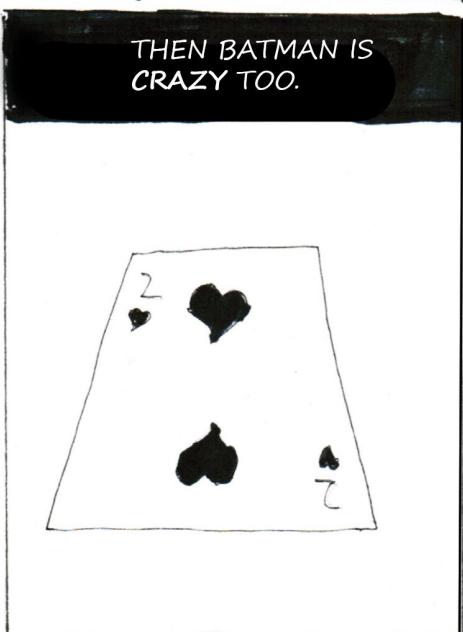

JOKER USES THE SAME LANGUAGE LATER.

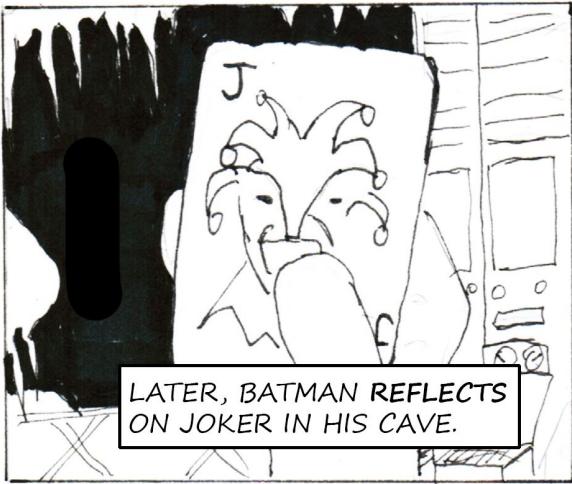

THE TEXT SIGNALS THAT THE TWO ARE CONNECTED.

IF CALLING A HUMAN BEING "IT" IS A SYMBOL OF LUNACY,

THEN BATMAN IS CRAZY TOO.

LATER, BATMAN REFLECTS ON JOKER IN HIS CAVE.

HE USES LANGUAGE SUGGESTING
THE TWO ARE EQUALS.

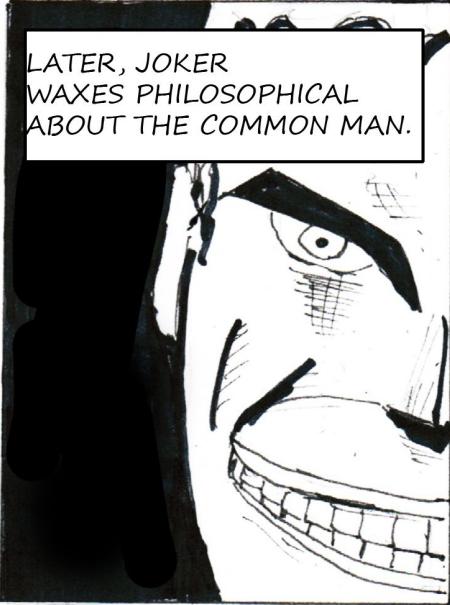

"I DON'T KNOW HIM, ALFRED. ALL THESE
YEARS AND I DON'T KNOW WHO HE IS
ANY MORE THAN HE KNOWS WHO I AM!"

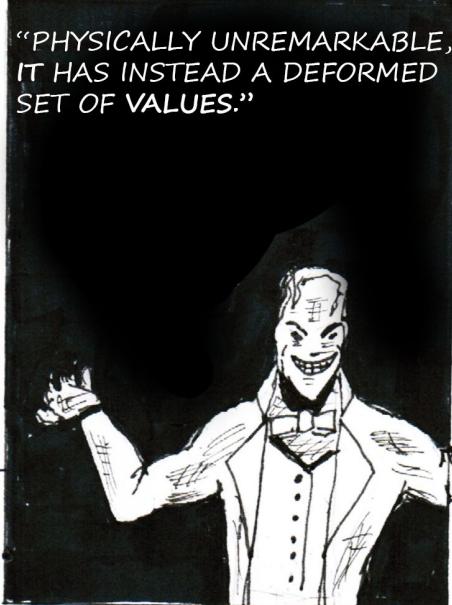

"HOW CAN TWO PEOPLE HATE
EACH OTHER SO MUCH WITHOUT
KNOWING EACH OTHER?"

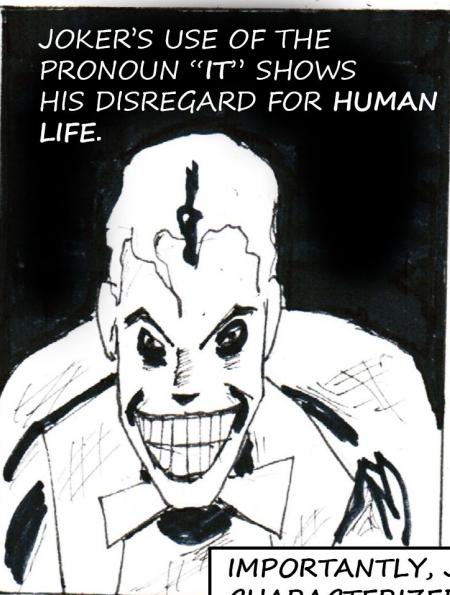

LATER, JOKER WAXES PHILOSOPHICAL ABOUT THE COMMON MAN.

"PHYSICALLY UNREMARKABLE, IT HAS INSTEAD A DEFORMED SET OF VALUES."

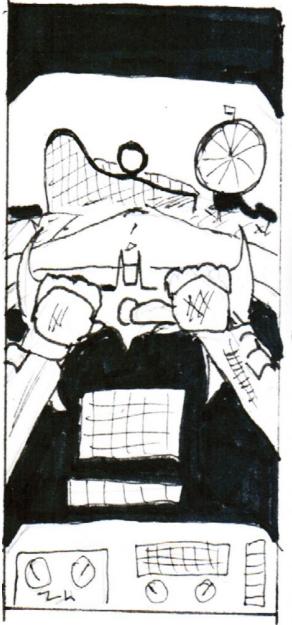

JOKER'S USE OF THE PRONOUN "IT" SHOWS HIS DISREGARD FOR HUMAN LIFE.

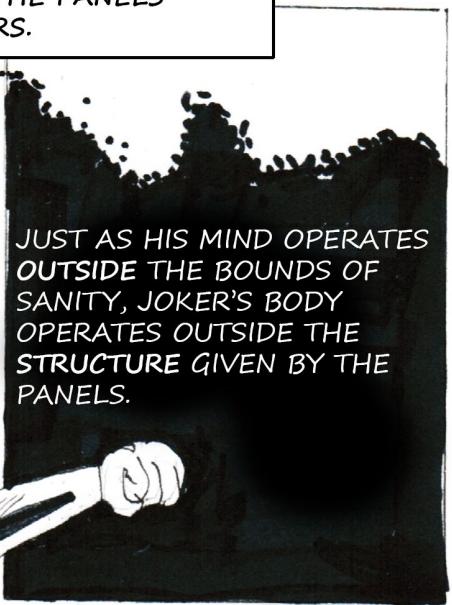

EARLIER, BATMAN USED THE SAME LANGUAGE.

IMPORTANTLY, JOKER'S LUNACY IS CHARACTERIZED BY HIS FREQUENT REACHING PAST THE PANELS INTO THE GUTTERS.

JUST AS HIS MIND OPERATES OUTSIDE THE BOUNDS OF SANITY, JOKER'S BODY OPERATES OUTSIDE THE STRUCTURE GIVEN BY THE PANELS.

BATMAN DOES TOO.

WHEN HE BREAKS
THE MIRROR, THE SHARDS
REACH PAST THE EDGE OF
THE PANEL.

"I'VE BEEN THINKING
LATELY."

"ABOUT YOU..."

"ABOUT ME."
